

# PAPELES Y CONVERSIONES DE MÉXICO

Our goal, **consistent growth.**

CURRICULUM VITAE

## WHO WE ARE?

We are a leading Mexican company with international presence that for more than 31 years has been dedicated to the manufacture, conversion and commercialization of paper related products.

We are recognized for offering high quality printing, packaging and identification solutions that exceed your customers' expectations.

We have 20 automated plants with state-of-the-art technology. In addition, we have 3 distribution centers located in Mexico City, Tijuana and Merida, 5 Business units and more than 2,900 members in our team.

## MISSION

To be the leading choice in the industry for the manufacturing, conversion, and commercialization of paper-related products.

## VALUE PROPOSITION

Our purpose is to satisfy our customers by offering a wide range of products and comprehensive services, with a focus on exceeding their expectations.
